Viña Pomal Compromiso 2015

A new wine from the century-old winery that includes the classic varieties, Tempranillo, Garnacha, Graciano and Mazuelo, and a portion of the recovered Maturana Tinta, collected in different parts of the Wine Region's three zones. Its vinification seeks to bring out the utmost expression of each variety, so the Tempranillo is aged in French and American oak barrels, as are the Maturana and Graciano, although in one-wine barrels, while the Garnacha is kept in concrete tanks and the Mazuelo in large butts. The wines are assembled together and a new ageing stage starts in French and American oak barrels. The result is an intense garnet-red wine, complex to the nose, with notes of fruit, violets, white pepper, vanilla and roasted coffee. With an amiable mouth, it is fresh and lively, with body and persistent fruit.
