Imperial Reserva 2014

The *Imperial* brand was born in the twenties and is only made with exceptional vintages. This 2014 is made with Tempranillo and a small contribution of Graciano, Mazuelo and Garnacha, specially selected to be used for the *Imperial*. Ageing takes place in American and French oak barrels, followed by a mandatory resting period in the bottle. It is an intense dark-cherry red, with copious notes of forest berries, violets, liquorice and nuances of forests, cigar leaves and cloves. Delicate, fleshy and with volume, it is balanced, silky and long, with balsamic hints that bring additional elegance.
